

Want to transform a teen's life?

Peel Children's Aid is looking for Foster Care Practitioners in Peel Region.

Foster Care Practitioners provide homes to youth between the ages of 11-18 who are facing challenges such as attachment issues, addictions or depression.

Working within a clinical team of therapists, psychologists, social workers and child and youth workers, foster care practitioners provide an advanced level of care than a traditional foster home can offer.

Benefits include:

- A tax free per diem - **\$100/day**
- Allowances for the foster child's expenses
- Working within your own home
- Enhanced training
- Paid relief

Demonstrated experience and success:

- Private or children's aid society fostering experience
- Proficient in child development and behaviour management techniques
- Experience working with teens in a parenting role
- Child Youth Worker/Early Childhood Education/Social Worker background

*If you want to be a part of this new era in foster care please send your resume to **enhancedfostercare@peelcas.org***
