

Who are we?

nCourage is an Anti-Human Sex Trafficking Integrated Service Hub in the Region of Peel. We support children, youth, and young adults between the ages of 12 to 24 who have experienced or are at risk of human sex trafficking. Our goal is to provide safe, coordinated, and compassionate support—meeting people where they are and walking alongside them on their journey to safety and healing.

What do we do?

The nCourage Hub brings together Peel Children’s Aid Society, Our Place Peel, EFry Hope and Help for Women, Victim Services of Peel and Caledon/Dufferin Victim Services to provide seamless, wraparound supports so victims and survivors do not have to repeatedly retell their experiences as they move between services. The Hub delivers trauma-informed, client-centered care by bringing together partners across health, justice, housing, community services, and child welfare. This integrated approach reduces barriers and strengthens safety, trust, and continuity of care.
