YOUR SUPPORT IN ACTION

PEEL CHILDREN'S AID FOUNDATION raises funds to provide innovative and urgently needed programs and services for children, youth, and families supported by **PEEL CHILDREN'S AID SOCIETY**. Gala proceeds will fund our MONARCH Campaign, working to create safer, more equitable communities where children, youth and families are strengthened through care, connection, and culturally competent services. This campaign will help to address the complex challenges many families face including intimate partner violence, food and employment insecurity, mental health concerns, poverty, and barriers to education.

- 8,000** families helped each year, offering services in 47 languages
- 99%** of Peel CAS' work is done with children, youth and families in their own homes
- 124%** increase in requests for youth mental health support through Peel CAS in the last 5 years
- 50** programs per year delivered to youth through our Trailblazers Youth Centre (life skills, resiliency support, financial literacy, wellness, culture, sports, culinary, education)
- 436** families received early help to address challenges like food insecurity, housing and mental health by connecting with community resources
- 166** cases identified by Peel CAS where a child or youth is suspected of being involved in sex trafficking
- 36%** of Peel CAS referrals are related to Intimate Partner Violence

Together with your contributions we can ensure that vulnerable children, youth, and families receive the support they need to build bright futures.
